

GLOBAL NOTES REGARDING DEBTORS' BANKRUPTCY SCHEDULES AND STATEMENTS

General Notes

The Schedules of Assets and Liabilities (the “Schedules”) and Statements of Financial Affairs (the “Statements” and, collectively with the Schedules, the “Bankruptcy Materials”) of Northern Berkshire Healthcare, Inc. (“NBH”), North Adams Regional Hospital, Inc. (“NARH”), Northern Berkshire Realty, Inc. (“NBR”), Northern Berkshire Healthcare Physicians Group, Inc. (“NBHPG”), and Visiting Nurse Association & Hospice of Northern Berkshire, Inc. (“VNA” and, collectively, the “Debtors”) were prepared pursuant to 11 U.S.C. § 521 and Rule 1007 of the Federal Rules of Bankruptcy Procedure by management of the Debtors and are unaudited. While the Debtors’ management has made reasonable efforts to ensure that the Bankruptcy Materials are accurate and complete, based upon information that was available to them at the time of preparation, subsequent information may result in material changes to the Bankruptcy Materials. Moreover, because the Bankruptcy Materials contain unaudited information which is subject to further review and potential adjustment, there can be no assurance that these Bankruptcy Materials are complete. The Debtors reserve all rights to amend the Bankruptcy Materials from time to time, in all respects, as may be necessary or appropriate, including, but not limited to, the right to dispute or otherwise assert offsets or defenses to any claim reflected on the Bankruptcy Materials as to amount, liability, or classification, or to otherwise subsequently designate any claim as “disputed,” “contingent,” or “unliquidated.” Furthermore, nothing contained in the Bankruptcy Materials shall constitute a waiver of rights with respect to the Debtors’ chapter 11 cases and specifically with respect to any issues involving substantive consolidation, equitable subordination, or causes of action arising under the provisions of Chapter 5 of the Bankruptcy Code and other relevant non-bankruptcy laws to recover assets or avoid transfers. These Global Notes Regarding Debtors’ Bankruptcy Materials (“Global Notes”) comprise an integral part of the Bankruptcy Materials and should be referred to and considered in connection with any review of the Bankruptcy Materials.

Basis of Presentation. The Bankruptcy Materials reflect the separate assets and liabilities of each individual Debtor. The Bankruptcy Materials do not purport to represent financial statements prepared in accordance with U.S. Generally Accepted Accounting Principles (“GAAP”).

Causes of Action. The Debtors, despite their efforts, may not have listed all of their causes of action against third parties as assets in the Bankruptcy Materials. The Debtors reserve all of their rights with respect to any causes of action they may have and neither these Global Notes nor the Bankruptcy Materials shall be deemed a waiver of any such causes of action.

Claims Paid Pursuant to Court Orders. Certain of the Bankruptcy Materials may list creditors and set forth the Debtors’ estimate of the claims of creditors as of the Petition Date. The Bankruptcy Court has authorized the Debtors to pay various prepetition claims, including claims of employees. Consequently, certain pre-petition fixed, liquidated, and undisputed unsecured claims have been paid as of the date of the filing of the Bankruptcy Materials. Accordingly, the actual unpaid claims of creditors that may be allowed in these cases or paid pursuant to the

Debtors' chapter 11 plan of reorganization may differ from the amounts set forth in the Bankruptcy Materials.

Patient Information. In connection with the Order (I) Authorizing the Debtors to Prepare (A) a Consolidated List of Creditors and (B) a Consolidated List of the Debtors' Thirty Largest Unsecured Creditors, (II) Authorizing Certain Procedures to Maintain the Confidentiality of Patient Information as Required by Privacy Rules, and (III) Approving the Form and Manner of the Notice of Commencement (Docket No. 53) (the "Patient Information Order"), the Debtors have omitted names, addresses, and certain other identifying information of patients that would otherwise appear on NARH and NBHPG's Schedule F and on the Statements of Financial Affairs of NARH and NBHPG, and replaced them with unique code numbers provided by the Debtors' noticing agent, GCG, Inc. Parties in interest may only access the unencrypted patient information after authorization by the Court pursuant to the Patient Information Order.

Dates. Unless otherwise indicated, all asset and liability information is listed as of June 13, 2011 (the "Petition Date").

Employee Claims. The Bankruptcy Court entered "first day" orders granting authority to the Debtors to pay prepetition employee wages, salaries, benefits, and other obligations in the ordinary course of business. Accordingly, only employee claims against the Debtors for prepetition amounts that both have not been paid and are not expected to be paid in the near future as of the time that the Bankruptcy Materials were prepared (such as employee litigation claims pending against the Debtors as of the Petition Date) have been included in the Bankruptcy Materials.

Estimates. To close the books and records of the Debtors as of the Petition Date, management was required to make estimates and assumptions that affect the reported amounts of assets and liabilities.

Excluded Assets and Liabilities. The Debtors have excluded certain categories of assets and liabilities from the Bankruptcy Materials including goodwill, accrued salaries, and employee benefit accruals. In addition, immaterial assets and liabilities may also have been excluded.

Property and Equipment. Owned property and equipment is stated at net book value. Costs of major improvements that enhance the usefulness of the asset are capitalized and depreciated over the estimated useful life of the asset or the modifications, whichever is less. Depreciation and amortization expense for principal asset classifications are calculated on a straight-line basis to an estimated residual value.

Totals. All totals that are included in the Bankruptcy Materials represent totals of all the known amounts included in the tables.

Accounts Receivable and Accounts Payable. Accounts Receivable are presented based on expected collections, not actual billings, as is typical in the healthcare industry. Accounts Receivable is further presented net of allowance for doubtful accounts, but without consideration for any liabilities related to mutual counterparty accounts payable, open or terminated contract

liabilities, liquidated damages, setoff rights, or collateral held by the Debtors, unless otherwise stated. Likewise, Accounts Payable are shown without consideration for accounts receivable, open or terminated contracts, liquidated damages, setoff rights, or collateral that has been posed on behalf of the counterparty.

Valuation. It would be expensive, unduly burdensome, and an inefficient use of estate assets for the Debtors to obtain current market valuations of all of their assets for purposes of the Bankruptcy Materials. Accordingly, unless otherwise indicated, net book values as of the Petition Date are reflected on the Bankruptcy Materials. For this reason, amounts ultimately realized will vary from net book value, and such variance may be material. In addition, the amounts shown for total liabilities exclude items identified as “unknown” or “undetermined” and, thus, ultimate liabilities may differ materially from those stated in the Bankruptcy Materials.

Schedules of Assets and Liabilities

Schedule B-28 and B-29: Office Equipment, Furnishings, and Supplies and Machinery, Fixtures, Equipment and Supplies Used in Business. NARH does not account for office equipment separately from medical and other equipment and machinery used in business. Because equipment used in business accounts for the vast majority of the value of these items, NARH has listed office equipment and other equipment together on Schedule B-29.

Schedule D: Creditors Holding Secured Claims. Except as otherwise agreed pursuant to a stipulation, agreed order, or general order entered by the Bankruptcy Court, the Debtors reserve the right to dispute or challenge the validity, perfection, or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a secured creditor listed on Schedule D of any Debtor. Moreover, although the Debtors may have scheduled claims of various creditors as secured claims, the Debtors reserve all rights to dispute or challenge the secured nature of any such creditor’s claim or the characterization of the structure of any such transaction or any document or instrument (including, without limitation, any intercompany agreement) related to such creditor’s claim. In certain instances, a Debtor may be a co-obligor, co-mortgagor, or guarantor with respect to scheduled claims of other Debtors, and no claim set forth on Schedule D of any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other entities. The descriptions provided in Schedule D are intended only to be a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent, and priority of any liens. Nothing in the Global Notes or the Bankruptcy Materials shall be deemed a modification or interpretation of the terms of such agreements. Except as specifically stated herein, real property lessors, utility companies, and other parties which may hold security deposits have not been listed on Schedule D. Certain of the Debtors’ agreements listed on Schedule G may be in the nature of conditional sales agreements or secured financing agreements.

Schedule F: Creditors Holding Unsecured Priority Claims. Schedule F does not include certain deferred charges, deferred liabilities, or general reserves. Such amounts are general estimates of liabilities and do not represent specific claims as of the Petition Date.

The claims listed in Schedule F arose or were incurred on various dates. In certain instances, the date on which a claim arose is an open issue of fact. While commercially reasonable efforts have been made, determining the date upon which each claim in Schedule F was incurred or arose would be unduly burdensome and cost prohibitive and, therefore, the Debtors do not list a date for each claim listed on Schedule F.

Schedule G: Executory Contracts. The businesses of the Debtors are complex. While commercially reasonable efforts have been made to ensure the accuracy of Schedule G regarding executory contracts and unexpired leases, inadvertent errors, omissions, or over-inclusions may have occurred. The Debtors reserve all of their rights to dispute the validity, status, or enforceability of any contracts, agreements, or leases set forth in Schedule G and to amend or supplement such Schedule as necessary. The contracts, agreements, and leases listed on Schedule G may have expired or may have been modified, amended, and supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letter and other documents, instruments, and agreements which may not be listed herein.

Certain of the leases and contracts listed on Schedule G may contain certain renewal options, guarantees of payment, options to purchase, rights of first refusal, and other miscellaneous rights that are embedded in the Debtors' agreements. Such rights, powers, duties, and obligations are not set forth on Schedule G.

The presence of a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease. The Debtors reserve all of their rights, claims, and causes of action with respect to the contracts and agreements listed on Schedule G, including the right to dispute or challenge the characterization or the structure of any transaction, or any document or instrument (including, without limitation, any intercompany agreement) related to a creditor's claim. Executory agreements that are oral in nature have not been included in Schedule G.

Schedule H: Co-Debtors. In the ordinary course of their businesses, the Debtors are involved in pending or threatened litigation and claims arising out of the conduct of their businesses. These matters may involve multiple plaintiffs and defendants, some or all of whom may assert cross-claims and counter-claims against other parties. Because such claims are listed elsewhere in the Bankruptcy Materials, they have not been set forth individually on Schedule H. Schedule H also reflects guarantees and co-obligations by various Debtors. The Debtors may not have identified certain guarantees that are embedded in the Debtors' executory contracts, unexpired leases, secured financings, debt instruments, and other such agreements. Thus, the Debtors reserve their right to amend the Schedules to the extent additional guarantees are identified or such guarantees are discovered to have expired or be unenforceable.

Statements of Financial Affairs

Question 3.c: Payments to Insider Creditors. In the ordinary course of business, NARH transfers money to the other Debtors to fund their operations. The Debtors record these transfers as generating accounts receivable owed to NARH from the other Debtors. Where NARH generates

an account payable to the other Debtors, the Debtors record these as offsets against the NARH receivable.

Question 9: Payments Related to Debt Counseling or Bankruptcy. Unless otherwise disclosed, all professional fees relating to restructuring and bankruptcy counseling were paid by NBH.

The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. List creditors holding all types of secured interests such as judgment liens, garnishments, statutory liens, mortgages, deeds of trust, and other security interests.

List creditors in alphabetical order to the extent practicable. SCHEDULE F - CREDITORS HOLDING UNSECURED NONPRIORITY CLAIMS

State the name, mailing address, including zip code, and last four digits of any account number, of all entities holding unsecured claims without priority against the debtor or the property of the debtor, as of the date of filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. If a minor child is a creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. § 112 and Fed. R. Bankr. P. 1007(m). Do not include claims listed in Schedules D and E. If all creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H - Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "Husband, Wife, Joint, or Community."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Report the total of all claims listed on this schedule in the box labeled "Total" on the last sheet of the completed schedule. Report this total also on the Summary of Schedules and, if the debtor is an individual with primarily consumer debts, report this total also on the Statistical Summary of Certain Liabilities and Related Data.

☐ Check this box if debtor has no creditors holding unsecured claims to report on this Schedule F.
